## From the Pastor's Pen

The first week of June brings the last week of school and the start of summer. It's a season of rest for our kids and recreation for our families. It's got me thinking about the Sabbath.

The Sabbath is a day set aside for the Lord and holy to Him. God commanded His people to keep the day holy by keeping themselves from work. "Six days you shall labor and do all your work, but the seventh is a Sabbath to the Lord your God. On it you shall not do any work" (Ex 20:9-10). God gave His people two reasons why.

First, because the Sabbath was a day of rest. "For in six days the Lord made heaven and earth...and rested on the seventh day" (Ex 20:11). God rested from His labors, and wanted His people to rest from their labors, too. On the seventh day, God stood back to enjoy what He had made. On the Sabbath day, God's people stepped back to enjoy what they had done and what He had given them. The Sabbath was a time for rest, for family, for worship; a time to enjoy life.

Second, the Sabbath was a day of redemption. "You shall remember that you were a slave in the land of Egypt, and the Lord your God brought you out

from there" (Dt 5:15). God's people were slaves defined entirely by what they did, how useful they were, and how much they could accomplish. But God freed them from Pharaoh, made them His "Chosen People," and commanded them to identify themselves not by their work, but by their rest. The Sabbath was "a sign forever between Me and the people of Israel" that they were His (Ex 31:17).

We are Christians, not Israelites. The sign that we are God's people is baptism (Mt 28:19), not the Sabbath. Our rest is in Jesus ("Come to me, and I will give you rest" Mt 11:28), not on a day of the week. We remember our redemption by the Sacrament (Lk 22:19), not by the Sabbath.

But the Sabbath is still important for us. It reminds us that we are not defined by what we do, how hard we work, or how much we accomplish, but as people redeemed by God. It reminds us that we are not made to spend our days in endless labor; God wants us to rest and enjoy life. Set aside time to rest and relax this summer. It's what God wants you to do.

- Pastor Eric Waters

# MESSAGE from the CONGREGATION PRESIDENT

Leaders are often asked, “what is your vision for \_\_\_\_\_?” It’s a good question, because it yields insight into the organization’s direction. In St John’s case, we have a vision statement, developed not by a single person, but by the Council. It tells how we intend to achieve our mission - Know Jesus, Make Jesus Known. The vision statement was announced to the membership on May 6 at all services, is now on our website, and available on paper at the Information Desk.

So, what is ahead? The detailed work of deciding how the mission and vision

will be accomplished. Words like core values, goals, initiatives, and deliverables have become part of our vocabulary, as we grapple with these issues. This is where the rubber meets the road. And we do not expect that road to be easy or comfortable or without change.

In coming months, we will unveil more detailed plans. At each step, we pray for good listening skills, sound judgment, and courage to change. We have so many gifted people at St John, I am confident that our work will ultimately be pleasing in God’s sight. Please contact me or a Council member to get

clarification or express your opinions. We promise to listen respectfully, and listen well.

We are excited about St John’s future, and stepping up to the challenges. We know our future is with all ages, something called intergenerational ministry. It is central to our thoughts. But whatever we decide, ultimately God has the last word. And whatever that future holds for all of us, we are here for one reason: to Know Jesus, and Make Jesus Known. That remains unchanged.

St. John Congregation President,  
Scott Kramer

## A NOTE ON STEWARDSHIP

### Nothing New Under The Sun

Today, consumerism grips our society. For proof, just look at the number of commercials and ads that you are subject to on any given day. We seem to be in a constant competition to wear the nicest clothes, drive the newest cars, live in the biggest houses, and own the best cell phones.

This, however, is not a new phenomenon. The author of Ecclesiastes writes about similar issues in ancient society. His experience is that this is all meaningless.

**“<sup>10</sup>Whoever loves money never has enough; whoever loves wealth is never satisfied with their income. This too is meaningless.**

**<sup>11</sup>As goods increase, so do those who consume them. And what benefit are they to the owners except to feast their eyes on them?”  
- Ecclesiastes 5:10-11**

Spending energy and effort to constantly increase our wealth and possessions will leave us still longing for more. Ultimately, we run the danger of allowing this pursuit of stuff to interfere in our relationship with God.

While there is nothing inherently wrong with wealth, there is an issue with anything that crowds God out of your

life. He has promised to provide for our needs. Anything above that is extra and should be viewed as a blessing. Having this perspective frees us up to give more generously of the abundant blessings that God has first given to us.

Your Brother in Christ,  
Kyle Gass, Chair  
St John Lutheran Stewardship Committee

## St. John's VISION STATEMENT:

*In 5 years, by May 31st, 2023*

**Sunday morning:**

St. John Lutheran Church has doubled in  
size. 800 people every week look forward  
to attending our multi-generational  
worship services. The services of Word and  
Sacrament are guided by the four solas of the  
Reformation, holding on to what is essential  
in our Lutheran tradition while reaching out  
to what connects with people in 2023. The  
whole church meets in the same building on  
the same block, following a plan to optimize  
and improve our facilities. The Family Life  
Center is used for ministry every Sunday. St.  
John Lutheran Church is full, still growing, and  
planning to keep growing in the Hill Country.

**Ministries:**

St. John Lutheran Church is changing lives  
by: reaching out to the young families which  
are moving into the Boerne ISD; assimilating  
them into our multi-generational church  
family; connecting parents with "church  
grandparents" for support, community, and  
guidance; teaching their children what we  
believe, why we believe it, and how to live  
it in their daily lives; putting members on  
a pathway which equips them to grow as  
disciples and make disciples in their families;  
and serving Jesus through the ministries at  
St. John, through local ministry partners, and  
through international mission partners and  
mission trips.

**Impact:**

St. John Lutheran Church has become a  
model of a healthy and disciple-making  
church. Church governance is nimble and  
agile so that decisions are made efficiently  
and effectively. Pastors are equipping the  
laity to be servant-leaders of the church's  
ministries. St. John Lutheran church is  
mentoring other churches in the Hill Country  
to make disciples in their own congregations.  
St. John Lutheran Church is an annual training  
ground for NALC pastors and a frequent host  
for NALC & LCMC church leadership teams.

## Night of Prayer and Worship - June 9th, 6:30-8pm

Join us to spend time in  
prayer and worship in the  
Family Life Center on June  
9th at 6:30pm. The worship  
music will be provided by  
the St. John Praise Band/  
Revelation Rising. There will  
be refreshments and  
**EVERYONE IS WELCOME!**  
Bring a friend and enjoy this  
night of faith and fellowship.

## Rafiki Foundation, Inc. Update

As you know from the letters you received, the end of 2017 was a difficult  
time in Rwanda as many children were placed in foster care by the govern-  
ment. However, our God is always faithful and we can trust him with all of our  
children. When the Home Office team visited in February, they were glad to see that all of the  
children in the Village, as well as those who are now day students, are healthy and happy!

**Dadi Ishimwe**  
Village: Rwanda

Latest update on **Dadi Ishimwe:**

**Spiritual Growth:** All the children have what is called their  
Ikinyarwanda name. It is not a family name. It is a name the family  
chooses for the child upon their birth. "A good name is to be chosen  
rather than great riches, and favor is better than silver or gold" (Prov. 22:1).  
Ishimwe means praise Him. When Dadi was asked how his Ikinyarwanda  
name inspires him, he responded that he wants to live the meaning of  
his name and praise God all the time.

**Prayer Requests:** Dadi requests prayer to praise God through his words  
and actions consistently with a pure heart.

The Rafiki children love to receive mail from their sponsors. Please send letters to:  
PO Box 6856, Kacyiru, Kigali Rwanda, EAST AFRICA

You may send cards or any item that fits in a standard size envelope such as bookmarks,  
stickers, pictures or a postcard. Please do not send packages, checks or cash to the  
Village address.

# IMPORTANT ANNOUNCEMENTS

## Get Involved. Help Others.

If you would like to show Christ's love to people in Boerne, there are many ways to do so. This month, the Outreach committee is highlighting how the Boerne Community Coalition needs volunteers for several programs that help those in need in the Boerne area.

Through the **"Love Boerne Kids"** program you could help prepare weekday lunches for kids during the summer, provide Hearts of love weekend meal bags, fund enrichment programs and camp scholarships, or provide homework help and tutoring for elementary students.

You could volunteer with the **"Love Boerne Families"** program to help organize "Pop-up" dinners at the library and promote reading and family services. You could be on the Community Response program to mobilize donations or help for specific needs, or partner with Hill Country Daily Bread to provide clothing resources for families.

By helping with the **"Love Boerne Neighborhoods"**, you could perform critical Home Repairs as part of the Community Response Program, or on a LBN work day. You could make homes safer for children or provide homeowner education and support.

To find out more information or to volunteer, go to [www.boernecommunitycoalition.com](http://www.boernecommunitycoalition.com), or call George Klein at 210-269-4620.
