## From the Pastor's Pen

*The Story* has started and we're off to a great start! You can feel the energy and excitement in our church as we read, preach, and study God's Word together. Things will get even more exciting on **October 7th** when **Pastor Randy Frazee** will be the guest preacher at all three of our services. All of you should recognize his name as the man who compiled *The Story*. Many of you will recognize him from the DVD studies in our adult Sunday School classes. Come and see him in person on Sunday, October 7th – and bring your friends.

Speaking of friends, if you or someone you know has been thinking about joining our church, now is the time. Our **New Member** classes start **October 14th**. There's more information in this newsletter and online. Take that next step of faith. I encourage you to join us and become a member of St. John Lutheran, and I hope you can come and join us later that same day for our annual **Congregational Picnic**. You don't want to miss this opportunity to kick back and relax with your church family. Tickets are on sale now.

The week after that, we'll celebrate again, this time with the **Boerne Village Band** at the late service on **October 21st**. The Band always brings an extra level of energy and joy to our worship, and you'll want to be a part of it. Then stay for the **Community Forum with the architects** to enjoy a catered meal, share your insights and opinions, and shape the new plan for our buildings and facilities.

Even as we look ahead to the future, we remember the past. **All Saints' Sunday** is **November 4th**.

It's a time to remember loved ones who have died in the past year. If you'd like

to commemorate your loved one and have their name read during the worship service, please submit a completed form to the church office by the end of the month.

*The Story* has got us off to a great start. It's October and we're up and running. Come and join us, come and celebrate with us, come shape the future and remember the past – come and be a part!

- Pastor Eric Waters

# MESSAGE from the CONGREGATION PRESIDENT

What a great start to *The Story*! I am talking about our sermon series for the next school year, of course. Isn't it great, how the Sunday School materials are tailored for each age group? Along with the rest of the adults, I study the adult materials. But I also enjoy the materials for my grandchildren; each has different materials, since they are in different age groups. And I especially enjoy the artwork for the children, it adds so much to *The Story*.

Switching gears, let's talk about an important meeting on October 21. On that Sunday, after late service,

we will gather for a luncheon in the Family Life Center. Then we will spend a few hours in a Community Forum. This important meeting is the first milestone in our Facilities Master Plan update, so I encourage all members to attend. We will examine various parts of our campus, and identify future requirements. You can begin thinking now about which area has the most interest for you. Is it the Sanctuary, Family Life Center, Gathering Place, Historic Chapel, kitchen, or something else? We will all spend some quality time discussing these various topics. Please make your plan to join us.

Along with our architect, we will use all the information from the Community Forum to take the next steps in the process. This is a creative, exploratory time for us. None of the decisions have been made yet. No agendas have been formed. The process is thoughtful and prayerful. Through our collective wisdom and discernment, I am confident that St John will have an updated Facility Master Plan that reflects our deep understanding of God's will for our congregation.

St. John Congregation President,  
Scott Kramer

## A NOTE ON STEWARDSHIP

### Care for Creation

From the very beginning, God - the creator of the universe and everything in it - was providing for us - His most precious creation. He gave us dominion over all creatures. He provided food for us to eat. God loved us and wanted us to delight in what He had made.

Unfortunately, it wasn't long until we messed it up by bringing sin into the world. Today, things aren't as perfect as they once were (think mosquitoes, cactus, fire ants, disease). However, we still have God's creation to enjoy and

28 God blessed them and said to them, "Be fruitful and increase in number; fill the earth and subdue it. Rule over the fish in the sea and the birds in the sky and over every living creature that moves on the ground." 29 Then God said, "I give you every seed-bearing plant on the face of the whole earth and every tree that has fruit with seed in it. They will be yours for food." - Genesis 1:28-29

care for. From incredible sunsets to scenic landscapes to amazing wildlife to changing leaves in the Fall - we should take time to appreciate it. Our responsibility is to be good stewards of the earth and everything in it - land, water, animals, plants. We should keep a heart of respect, thankfulness, and reverence, and remember that we are caretakers, not the owners. We should

also care for each other, since God made all of us in His image.

Stewardship is not only about giving time, talents, and treasure to the church. It is also about looking after what God has provided for us.

Your Brother in Christ,  
Kyle Gass, Chair  
St John Lutheran Stewardship Committee
