From the Pastor's Pen

November begins and ends with remembering how blessed we are. We begin the month with **All Saints' Sunday**, when we remember those who have died in the last year and the promise Jesus made to them: "Those who believe in me, even though they die, will live; and everyone who lives and believes in me will never die" (John 11:25-26). We end the month with **Thanksgiving**, when we gather with family and friends to give thanks to God for all that He has given us. In between, we'll celebrate birthdays in our church family, welcome New Members, and make our pledges to the Lord.

November 11th will be a great Sunday at church. We'll recognize our Veterans, as we do every year on Veterans' Day. This year, we'll also welcome **New Members** into our church family during our worship services, and celebrate our senior members with the **80 Years + Party** and brunch in the Family Life Center. Come see our church family grow, and come hear how God has

worked in the lives of our church family members throughout the years. It promises to be a great day all around.

The Sunday after that, November 18th, is **Consecration Sunday**, when we pledge to the Lord what we will offer Him in the upcoming year. You may recall that last year I set out pledge targets of \$200, \$2000, and \$5000, which are natural thresholds of giving at our church. I encourage you to meet or exceed the \$2000 giving threshold. If you're already there, I encourage you to stretch for the \$5000 threshold. We are a fully member-supported church. Everything we do, we do because you give.

We're doing a lot. St. John is moving ahead, and growing; we're getting into the Word together, and starting to build a pathway to help people move closer to Jesus. There is a lot to be thankful for in this church. This year, I'm thankful for you.

- Pastor Eric Waters

MESSAGE from the CONGREGATION PRESIDENT

Our annual picnic was a great success! Perfectly timed, just before the norther blew into the Hill Country. What a big St John family we have, with kids running all about, having a great time! There was great delicious meal to enjoy together, fish to catch, balls to throw and catch, games to play. And yes, the cleanup afterwards, when so many folks pitch in to make short work of it.

It reminds us of when we are at our best, enjoying fellowship and doing the serious work, too. Also, it reminds

us that St John is blessed to have so many leaders in all facets of our church life. Leaders lead, and followers follow; in the future, roles are changed. So many talented folks step up and make it happen; it is a beautiful sight to behold.

Now we turn to our facilities master planning process, where we come together in common purpose. Some members are leaders at this time, and some are followers, but every member's voice is heard. The process converges on a common strategy for St John property

and buildings.

Consistent with our governance documents, the members have the final say. That is each of us, using our God given talents to decide what is best for St John to achieve our mission and vision. We vote, the majority rules, and we move forward to accomplish our mission - Know Jesus, Make Jesus Known. Ever onward, with a prayer that our work may be pleasing in God's sight.

St. John Congregation President,
Scott Kramer

A NOTE ON STEWARDSHIP

Do More with God

After a long day, the disciples realized that there was no way on earth that they could find enough food to feed everyone in the crowd. To go buy food would take far more than they had. What were they to do? Andrew spoke up that the only thing they had was a few loaves of bread and 2 fish, but knew that was nowhere near enough to feed everyone.

Jesus took control. After thanking God for what they had, he distributed the food. Miraculously, in the end the disciples gathered 12 baskets full of leftovers.

Note that faced with a problem, the disciples (Jesus' inner circle) didn't think to pray or turn to him for help. It is interesting, though that the boy willingly gave all that he had to help out. Jesus

⁵ When Jesus looked up and saw a great crowd coming toward him, he said to Philip, "Where shall we buy bread for these people to eat?" ⁶ He asked this only to test him, for he already had in mind what he was going to do. ⁷ Philip answered him, "It would take more than half a year's wages to buy enough bread for each one to have a bite!" ⁸ Another of his disciples, Andrew, Simon Peter's brother, spoke up, ⁹ "Here is a boy with five small barley loaves and two small fish, but how far will they go among so many?" ¹⁰ Jesus said, "Have the people sit down." There was plenty of grass in that place, and they sat down (about five thousand men were there). ¹¹ Jesus then took the loaves, gave thanks, and distributed to those who were seated as much as they wanted. He did the same with the fish. ¹² When they had all had enough to eat, he said to his disciples, "Gather the pieces that are left over. Let nothing be wasted." ¹³ So they gathered them and filled twelve baskets with the pieces of the five barley loaves left over by those who had eaten.
- John 6:5-13

used this act of faith to perform a miracle. It appears that he was trying to teach his disciples a lesson by having them gather the 12 baskets full at the end.

He is also teaching us a lesson. God can do far more with what we give than we can on our own. We should prayerfully give thanks for what we have and be willing to use it to serve God's purpose.

Consecration Sunday is on November 18th. On this day, we will present our tithe pledges for 2019. Please begin to consider (and pray about) your faithful contribution to God through the mission of St. John.

Your Brother in Christ,
Kyle Gass, Chair
St John Lutheran Stewardship Committee
