From the Pastor's Pen

The New Year has started and we're about to restart ***The Story***, too. Make it your New Year's resolution to read ***The Story*** along with the rest of our church, day by day and week by week. Don't worry if haven't done it before, or if you fell behind in the Fall. Just jump into chapter 12 and start there. Daily reading and reflection on Scripture is the **single best thing you can do** to grow in your faith in the Lord. Resolve to grow in your faith this year.

Resolve to commit and join our congregation, too. If you've been worshipping at St. John for a while, but haven't yet taken the step of membership, now's the time. Our next **New Members**

Classes start on January

13th. You can sign up online now and be a member of St. John by Super Bowl Sunday. Take that step of faith, make that resolution, and join us. St. John Lutheran is going places, and as a member you'll have a say.

Speaking of which, we'll be hearing back soon from the architects with an

updated **Facilities Master Plan**. Once the Council has received it, and had the opportunity to discuss and analyze it, we'll schedule times and events for the congregation to learn about it and ask questions. Next month, we'll ask questions of the congregation in the **Reveal For Church Spiritual Life Survey**. We want to learn more about your personal spiritual life and our church's role in it so that we can better understand what St.

John can do to support your spiritual growth.

The survey is a big step toward building that "discipleship pathway" you've heard me talk and preach about for years.

You'll hear lots more about it as we get closer to February.

A New Year has begun and I see good things happening at St. John Lutheran. Resolve to make 2019 the year you read ***The Story***, get active in church, and grow in your faith in the Lord.

- Pastor Eric Waters

THE STORY
resumes on January 6th!

The whole family. The whole Bible.
The whole year.

MESSAGE from the CONGREGATION PRESIDENT

Wow, where did the autumn go? As our calendars turn to Christmas, then New Years, your St John leadership continues to develop our plans for the future. In particular, the Facilities Master Plan update has been top of mind.

In October, we met as a membership to do an assessment of our campus. We gathered after the late service, where our architects led us through a discovery process. In November, the leadership met all day on a Saturday; this time, we developed a consensus on high level direction, and generated

multiple options to consider. Those options were narrowed down to some directions and boundary conditions for the architects.

In January, the leadership will review a draft plan update with the architects. Once we are satisfied, we will bring it to the membership. Watch for announcements on these important milestones.

We are thinking long term. That is our focus. And I am reminded of words from a famous Texan, who led the soldiers at the Battle of San Jacinto. The battle was

fought on April 21, 1836 in what is now Harris County. Sam Houston told the soldiers "be men, be free men, that your children may bless their father's name."

Likewise, we pray that future generations of our St John family will bless their ancestors' names, for the work of those ancestors' hands and minds in 2019. And that they will come to St John with blessings to their heavenly Father's name, for many generations to come.

St. John Congregation President,
Scott Kramer

A NOTE ON STEWARDSHIP

Resolutions

With the new year comes a list of resolutions for many of us to improve our lives in some way. Diet, exercise, get more rest, read more books, etc. Unfortunately, most of these will fall by the wayside within a couple of months. What if we made a resolution to follow the advice found in God's Word: do good, be rich in good deeds, be generous. When we do these things, we will be laying a firm foundation for all eternity.

It may seem difficult – even impossible – to be generous if you are experiencing financial difficulty, or are burdened by

¹⁸ Command them to do good, to be rich in good deeds, and to be generous and willing to share. ¹⁹ In this way they will lay up treasure for themselves as a firm foundation for the coming age, so that they may take hold of the life that is truly life.
-1 Timothy 6:18-19

debt. How can we give to others when we are just trying to stay current on bills? If this is you, we have an amazing opportunity here at St. John. Financial Peace University will be held each week starting January 6 and running until March 3. In this class, you will learn to take control of your finances by living on a budget, saving, and paying off debt. This will allow you to drop the stress associated with financial problems, plan for the

future, build wealth, and of course, give generously. For more information or to sign up, visit the church website shown below.
