From the Pastor's Pen

We took the Reveal Survey a few months ago. Now that the results are back and the report is in, I wanted to share with what the survey said. We've got **four strengths to build on**.

First, St. John is a fundamentally sound congregation. Over all, our spiritual beliefs and practices, how we put faith into action, and the church's role in it all, is right where we're supposed to be.

Second, when compared to other Lutheran churches, St. John is at the top 15-20% that have ever taken the survey.

Third, we have an above-average rate of reading and reflecting on Scripture. That's a great sign for the future, since reading and reflecting on Scripture is the most powerful driver of spiritual growth. And **fourth**, this congregation does a good job of making people feel like they belong. Overall we're in good shape, with four solid strengths to build on.

But the survey also revealed **four things to work on**. The first is our demographics. We're an older congregation, 30% more so than the national average. Four out of five people are over the age of 50. That's not a bad thing, especially since empty nesters and retirees are one of two groups moving into Boerne. But young families with children is the other, and we have far less of them than we should—about half the national average. That's the **first** thing we need to work on. The **second**,

oddly enough, is the Bible. Though we scored above average on "reading and reflecting on Scripture," we scored below average when it comes to "teaching sound doctrine rooted in biblical accuracy." Only half our people said the Bible has authority over their daily lives. Only two-thirds believe they're saved by grace and not by anything they do. We need to work on that. A **third** is that we're only average when it comes to teaching people the spiritual disciplines of daily Bible reading and prayer. The two most important priorities that all the people who have ever taken the Reveal Survey list for their churches are "Help me understand the Bible in depth" and "Help me grow in my personal relationship with the Lord." Our church is only doing an okay job; we need to do better. And **fourth**, we need to do a better job helping you reach out. People grow in their faith when their church provides opportunities to put their faith into practice. We're below average, and need to provide more and better opportunities to serve.

Thank you for taking the time to take the Reveal Survey. It's shown us four things to build on and four things to work on. It's given us a picture of who we are, where we are, and how we can grow from here.

- Pastor Eric Waters

A NOTE ON STEWARDSHIP

Serving God By Serving Others

Serving Christ comes in many forms. Certainly, by participating in worship, working around the church, or volunteering to teach Sunday School we are serving God. One opportunity that may not be as obvious is to help those in need “the least of these” by giving of what we have.

Maybe, like me, you have some reservations about this: Will they abuse my generosity? How do I know they are really in need? How do I go about finding the right people to give to? However, from the passage, it doesn't appear that the “righteous” were trying to distinguish who really deserved their help and who didn't. They just gave to those in need.

We should follow this example and search out the opportunity to serve others outside of our church. By doing so, we are actually serving Him.

Your Brother in Christ, Kyle Gass
Chair, St John Lutheran Stewardship Committee

34“Then the King will say to those on his right, ‘Come, you who are blessed by my Father; take your inheritance, the kingdom prepared for you since the creation of the world. 35For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, 36I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me.’ 37“Then the righteous will answer him, ‘Lord, when did we see you hungry and feed you, or thirsty and give you something to drink? 38When did we see you a stranger and invite you in, or needing clothes and clothe you? 39When did we see you sick or in prison and go to visit you?’ 40“The King will reply, ‘Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.’”
Matthew 25:34-40

IMPORTANT UPDATES

Altar Flower Update:

A big “THANK YOU” for all the recent donations of altar flowers. We have always tried to keep the flower cost to a minimum for our donors by supplementing the expense through a designated flower fund. Now that this fund is almost depleted, we will need to increase the flower purchase price to \$60. This will provide flowers for two altar arrangements. These arrangements can be taken home by the donor or left in the sanctuary to be delivered to area nursing homes the following day. **The sign-up sheet is located on the wall at the information desk.**

Again, thank you to everyone for the continued support of the flower ministry. You are not just beautifying our church on Sunday, but also bringing beauty and joy to those in nursing homes.

If you have any questions regarding altar flowers, please contact: Shay Knippa, Worship Committee Chair at 830-522-1884.

St. John has implemented an online program that is called SJConnect. SJConnect will make it easy for you to connect with fellow members of the St. John Lutheran Church family. It's like an online, pictorial directory, but with many more benefits! This month, members of our congregation will be invited to sign up, create an account and begin using SJConnect. Once you have set up your own account, it will be easy for you to become more connected and engaged with our church community from your computer or smartphone. Keep an eye out for more information!

FREE CHILDCARE available at 6:30pm

On May 17, 2019, St. John Lutheran Church will host the first ever Marriage Night livestream event from RightNow Media. Join thousands from around the world for this event where you will laugh and learn with your spouse as you hear from marriage experts and discover how to honor God in your marriage.

Marriage Night will bring together thousands of married couples as well as those planning to be married to hear from speakers Francis & Lisa Chan (You and Me Forever), Les & Leslie Parrott (The Good Fight), and comedian Michael Jr.

Healthy marriages don't happen by accident. They require prayer, commitment, and ongoing dedication. Married couples need to take time to disconnect from the busyness of their routines and spend time remembering why they said "I do" in the first place. **Marriage Night is an opportunity to reconnect with your spouse and re-kindle the focus on your marriage.** This event will provide you with great teaching and principles to challenge you to see your marriage as a powerful tool not only for your personal growth, but also to join God in advancing his kingdom.

Feel free to invite your friends, family, co-workers, and neighbors to attend this three hour event together. Tickets are \$15. **Sign up online through our website under 'Events'.**

WE NEED YOU...

Congregational Care Committee Service Opportunities Available!

Health Team : If you have a health care background, please consider joining our Health Team as a team member or team leader. Health team members check the first aid kits, defibrillators, and durable medical equipment. They schedule and help run the quarterly blood mobile drives, annual Stroke Scan screening, and CPR class.

Mail Team: Our Mail Team needs a caring person to be the team leader. The Mail Team sends cards and HomeTouch materials to homebound members, birthday cards to staff and seniors, get-well cards, and military support cards. The team leader keeps records of mailings and distributes cards and postage to the team members.

We need volunteers to fill these positions so that we can continue to offer the care and support to our church members that we have done in the past.

If you would like more information about being a team member or team leader for the Health Team or Mail Team, please contact Shaun Danney at sdanney@gvtc.com or 210-213-8758.

Do you love to read? Consider joining St. John's BOOK CLUB

For May we are reading Daughter of a Daughter of a Queen by Sarah Bird. It's the story of a former slave who disguises herself as a man and joins the Buffalo Soldiers. **We will be meeting on May 20** to discuss this book. Please join us.

If you need more information, contact Terry Herrmann at 210-842-4606 or terryherrmann08@gmail.com.
