From the Pastor's Pen

Jesus gave us a **Great Commission**: "Go and make disciples of all nations, baptizing them... and teaching them to obey all that I have commanded you" (Matthew 28:19-20). Jesus gave us a **Great Commandment**: "Love the Lord your God with all your heart, soul, mind and strength. Love your neighbor as yourself" (Mark 10:30-31). We've been doing all those things for years here at St. John Lutheran Church, but these last two years a small group of us has been thinking about how we can do them better. We've come up with a plan that we call the **Discipleship Pathway**.

The Discipleship Pathway answers the questions "How can we help people grow in their faith?" "What does a disciple do?"

The first two steps on the pathway help us "love the Lord your God."

A disciple loves the Lord by **Worshipping Weekly**. Through worship, we show our love for God, giving Him our worship and praise. Through worship, God shows His love for us, speaking to us through His Word and giving His Son in the Sacraments. But we should love the Lord our God every day, not just on Sundays, and so a disciple loves the Lord by **Walking Daily**, too. A disciple devotes time every day to Jesus, listening to hear God speak through the Bible and responding to God in prayer. This daily quiet time is a key exercise that grows our faith as we follow the Lord, day by day.

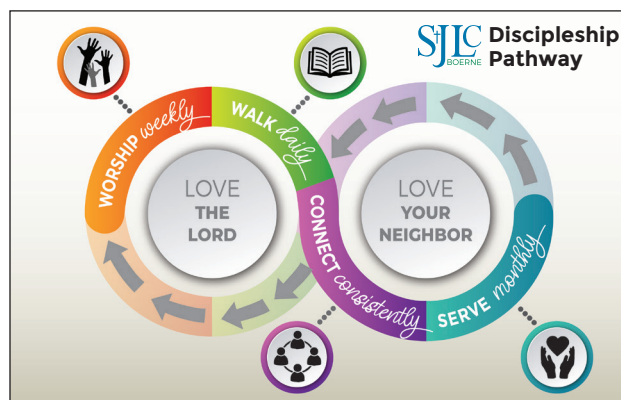

The next two steps on the pathway help us "love your neighbor as yourself." In order

to love your neighbor, you have to know your neighbor, so a disciple **Connects Consistently** with the church. We want St. John to be a church where no one feels isolated or alone, but everyone has some place "where everybody knows your name." Regular and consistent connection with the church—whether through Sunday School, Bible study, Friends in Faith, or some other way—makes a disciple feel loved and gives the opportunity to show love for others. Finally, a disciple loves others by **Serving Monthly**. Serving others, whether at church

or in the community, puts our faith into action. Serving others helps our faith come alive. "Even the Son of Man came not to be served, but to serve" (Matthew

20:28). We become more like Jesus as we serve others, like He did.

None of these should be new concepts. All of this we've been doing for years. But the Discipleship Pathway brings clarity to **what** we do and **how** we do it. Jesus gave us a Great Commission to make disciples. Jesus gave us a Great Commandment to love God and neighbor. The Discipleship Pathway helps us do what Jesus has called us to do. You'll be hearing a lot more about it throughout this coming year, beginning with our kick-off sermon series in the Fall.

MESSAGE from the CONGREGATION PRESIDENT

The dog days of summer. Vacation trips, summer camps, floating the Guadalupe. Ah, yes. I hope all y'all have been taking time for rest and relaxation this summer.

We just returned from a family trip to Iowa. We attended a big event, a school reunion. In the evenings, I opened some old scrapbooks. What interesting stuff I found!

I learned about the church where my parents were married and where I was baptized. When I was a toddler, a

new church building was constructed. My grandfather was chairman of the building committee; among its members were my father and uncle. In those days, the building committee actually did a lot of the construction! In later years, Dad talked fondly of those days, doing the concrete and masonry work with a team of church men. Inside, our neighbor Bill Grote built the altar, lectern, pulpit, and railings. Bill was an elder retired cabinet maker, and was determined to do one last big project while he was able. My baby brother was the first child baptized

in the new church, and years later Diane and I were married there.

As I saw the old newspaper clippings, the larger point came to me. There was that church building, completed in 1957. It is still there, with God's people learning, worshipping, and serving. Wise, prudent decisions made more than 60 years ago are still bearing fruit for God's kingdom. Well done, those good and faithful servants.

St. John Congregation President,
Scott Kramer

A NOTE ON STEWARDSHIP

Find Contentment

There are times in our lives when we may be struggling to make ends meet and wonder how we're going to make it. These times often lead us to increased dependence on God when we realize that we are out of options and can't make it on our own. In other seasons of life, we may be blessed with plenty, and enjoy having an abundance. These are times that we may drift away from dependence on God – thinking

we're in good shape, and don't need His help.

Whether in want or in plenty, we need to remember that God loves us and will provide what we need (not necessarily everything we want). He is the source of everything good that we have. We should thank Him regularly for our "daily bread," and not seek His will only when we find ourselves in a bind. With a grateful heart,

"¹² I know what it is to be in need, and I know what it is to have plenty. I have learned the secret of being content in any and every situation, whether well fed or hungry, whether living in plenty or in want. ¹³ I can do all this through him who gives me strength." Philipians 4:12-13

we'll find contentment with what God has given us.

Your Brother in Christ, Kyle Gass, Chair
St John Lutheran Stewardship Committee

Establishing your legacy through final fruits

As Lutheran Christians, we know that giving our first fruits is important, but what about the giving of our final fruits? Sound estate planning can effectively provide perpetual support to our family, the Church and other worthwhile causes at the time of death.

St. John members will have the opportunity to learn more about estate planning at each of the three services on November 10, Planned Giving Sunday. The Reverend Dr. Gerald B. Kieschnick will speak that day on the importance of establishing your legacy for your family and charitable causes that touch your heart. Pastor Kieschnick is President Emeritus of The Lutheran Church--Missouri Synod and CEO of Legacy Deo.

In Bible class that day Mr. Gary Juhl, Legacy Giving Consultant, will dispel several myths about estate planning including: "I'm not wealthy enough to consider planned giving. If I don't have a will, my family will be able to figure it out. I'm too young to think about dying. Our estate plan was completed several years ago. We should be okay."

The Men's Group will begin a new study using Andy Stanley's book: *How Good Is Good Enough?*

Many of us want to believe that our family and friends who have not confessed Christ will be accepted into heaven because they are basically "good people". In *How Good is Good Enough?*, Andy Stanley shatters this false belief by reminding us that heaven is not filled with good people, but with people who have received God's grace. This powerful teaching on grace will bring you closer to God and will introduce your family and friends to the heart of the Christian faith.

A New GriefShare Cycle Begins

A new 15-week cycle of GriefShare will begin on August 27, 10:00 a.m. to noon or August 28, 6:30 p.m. to 8:30 p.m., meeting in the SJLC Education Wing. Childcare is provided on Wednesdays with prior notice. Participation is open to adult SJLC members and nonmembers (17 years and older) of all faiths and all denominations at no charge.

Have you lost someone very dear? If so, you know well that the grieving process is physically, emotionally, and spiritually devastating. The good news, though, is that finding a Bible-based support group eases the journey from deep mourning to new joy.

That is the basis of GriefShare, and, under the guidance of Pastor Bergquist, our SJLC family has assembled a ministry team trained to help anyone grieving the death of a loved one.

Feel free to investigate the Bible-based program, GriefShare, at www.griefshare.org for more information, or contact a facilitator.

CHURCH NEWS & UPCOMING EVENTS

House Blessing and Luncheon to celebrate God's work through St. John: Saturday, August 24 in Aransas Pass

On August 25th of 2017, Hurricane Harvey made landfall along the coast of Rockport and the surrounding communities. God came alive in the hearts of St. John in Boerne.

Provisions of labor and monetary help were committed. A week later, St. John, with the guidance of our Lord and Savior, headed to Rockport and the surrounding communities to provide help. We worked graciously, providing clean-up, food, gift cards, Bibles and most of all, prayer. Two weeks later we followed God's lead and headed back down. During this trip, God started tugging a little harder on St. John's hearts. We assessed the needs and realized that we needed to do more than just clean up. A total rebuild project was conceived. This was by far the most extensive project God led us into and through. He has not only shown his resilience through this project, but also his vision, persistence and humbleness. On June 22nd of this year, nearly two years after our efforts first began, St. John has finished this total rebuild project. It was almost an 18-month commitment.

On August 24, 2019, St. John Lutheran and St. Stephens of Portland will hold a house blessing of this new home. We would like to invite all God's Children to celebrate His providence of fellowship, monetary donations, shelter, food, and talents by joining in His presence to bless the house of one of his children in Aransas Pass, TX.

Please join us for a blessing at the newly constructed home followed by a fellowship lunch. The house blessing will be at 11am. Lunch will follow the blessing at St. Stephens in Portland.

We will have a cornhole tournament for those that want to play and/or a trip to the beach. St. Stephens will have a special music service on Sunday at 10:30am for those that would like to attend. The church will also be available for all that need a place to sleep on Saturday night.

If you plan to attend the blessing and luncheon, please RSVP by August 12th to Lance Folkerts: lance@ltfconstruction.com. May God continue to Guide the hearts of St. John!

The NALC will hold elections in August

Congratulations to both on their nominations and Good Luck at the election in August!
