From the Pastor's Pen

Independence Day has always been a special time for me and my family. Growing up in New York, where the school year stretches into mid-June, Independence Day marked the start of summer and "independence" for us kids. My hometown had a big parade every year. I loved to watch the fife-and-drum corps march by, followed by the drums-and-bagpipe band in full Scottish regalia, kilts and all. You don't see much of that in Texas. But I've come to appreciate that Texans take their independence very seriously—both the one won in 1776, and the one won in 1836. Texas truly is a land of deep independence and devout faith. It's starting to feel like home. Thank you for calling us here.

Michelle and I will be taking the kids up north for our annual **vacation** in Wisconsin. We've moved around a lot serving the Church—Connecticut, Minnesota, North Dakota, Ohio, and now Texas—and this lake home in Wisconsin is the one place we've always come back to, year after year. It's near and dear to our hearts, a place where we can truly rest and relax and let the "lake life" restore us. I hope you have a place like that, too. God made us to rest and to work, but never forget that the first job

Adam and Eve had was to rest (Genesis 2:1-3). It was from a place of rest that Adam and Eve would be able to tackle the work God gave them to do. The same goes for you and me, too. I know that in this fast-paced world, we can feel like if we're not doing something all the time, we're hardly doing anything at all, and surely falling behind everyone else.

God made you to rest. God commands you to rest (Exodus 20:8-11). Jesus calls you to rest in Him (Matthew 11:28). Trust God, and this Summer **take the time to rest.**

There will be plenty to do when Fall comes, and Fall will be here sooner than you know it. I'm planning for it already, planning out the whole year. My big goal this year is to act on what we learned from the **Reveal Survey** last year. I need to help you understand the Bible in depth, grow in your faith through the spiritual disciplines, and step out in faith as you serve the community. If we can do those three things well, our church will grow in health and in numbers. My #1 priority this Summer is to build a discipleship pathway to make it easy for everyone. I'm working on it; it'll be ready to launch in the Fall.

- Pastor Eric Waters

MESSAGE from the CONGREGATION PRESIDENT

School's out for summer! The baby boomers remember the Alice Cooper song with that title, from 1972. Yes, our schedules are changed for the next couple months, and the traffic is very different, too.

For those in leadership of St John, the summer is actually quite a busy time. We are finishing the Facilities Master Plan, which we will bring to the membership soon. It documents our long term intentions, in a structured way, to provide a roadmap for future

decision-making. It has been exciting to consider the possibilities. Many, many hours of work have gone into that document, and we are excited to present the results.

Every summer, we also have two important tasks to complete. One, we will prepare the 2020 budget. It is a very detailed, important document, which we will bring to the membership at our annual meeting in late September. It will reflect our intentions for the coming year: to be good stewards, to realize our vision and mission,

to Know Jesus and Make Jesus Known.

Two, a Nominations Committee will be formed and tasked with identifying members for future leadership positions. St John is so abundantly blessed with the talents and generosity of our members, we praise God for that. And we pray for each member's wisdom, discernment, and serving heart to say "yes, Lord, send me."

St. John Congregation President,
Scott Kramer

A NOTE ON STEWARDSHIP

Don't Let the Weeds Interfere

As summer sets in, those of us with gardens find out how healthy the plants are. With rising temperatures, the weaker plants – possibly those in poor soil start to wither and die. Gardeners spend time regularly keeping the weeds pulled so that they don't choke the plants out before they can yield vegetables. Our healthy plants are producing – often times more that we can keep up with. Not wanting anything to go to waste, vegetables are given away to friends and family.

As we go through our lives, we need to be on guard about success leading to the desire to acquire more and more

material goods and keeping up with a lifestyle that we feel has been earned. All of a sudden, worry about obtaining and maintaining material possessions competes with (or chokes out) our relationship with Jesus, and the commitment to expanding His church through financial support. Prioritizing material possessions over following the Word will prevent us from yielding spiritual fruit and experiencing the true joy of a deeper relationship with our savior. Bring your worries to Him, trusting that Jesus can provide the security, peace, and joy that money can't buy.

Your Brother in Christ, Kyle Gass
Chair, St John Lutheran Stewardship Committee

"A farmer went out to sow his seed. As he was scattering the seed, some fell along the path, and the birds came and ate it up. Some fell on rocky places, where it did not have much soil. It sprang up quickly, because the soil was shallow. But when the sun came up, the plants were scorched, and they withered because they had no root. Other seed fell among thorns, which grew up and choked the plants. Still other seed fell on good soil, where it produced a crop a hundred, sixty or thirty times what was sown".

"The one who received the seed that fell among the thorns is the man who hears the word, but the worries of this life and the deceitfulness of wealth choke it, making it unfruitful. ²³ But the seed falling on good soil refers to someone who hears the word and understands it. This is the one who produces a crop, yielding a hundred, sixty or thirty times what was sown." -Matthew 13:3b-8, 22-23

GriefShare Support Group

Have you lost someone very dear? If so, you know well that the grieving process is physically, emotionally, and spiritually devastating. The good news, though, is that finding a Bible-based support group eases the journey from deep mourning to new joy.

That is the basis of GriefShare, and, under the guidance of Pastor Bergquist, our SJLC family has assembled a ministry team trained to help anyone grieving the death of a loved one.

A new 15-week cycle of GriefShare will begin on August 27, 10am to noon or August 28, 6:30pm to 8:30pm, meeting in the SJLC Education Wing. Childcare is provided on Wednesdays with prior notice. Participation is open to adult SJLC members and nonmembers (17 years and older) of all faiths and all denominations at no charge.

Feel free to investigate the Bible-based program GriefShare at www.griefshare.org for more information, or contact a facilitator.

CHURCH NEWS & UPCOMING EVENTS

Sam's Kids School Supply Drive

It's time for the annual school supply drive benefiting Sam's Kids!

Sam's Kids is an organization that helps Boerne ISD students in need. Sam Champion was a long-time Boerne ISD teacher, principal, and administrator and a member of St. John! Sam was passionate about helping kids and started this organization to "help level the playing field."

These items are specifically requested - though ALL supplies are helpful: Bottled Glue, Colored Pencils, Supply Boxes, WIDE RULED notebook paper, composition books, and spiral notebooks. The schools ask for such specific supplies, you can always check out the lists posted at HEB or Walmart for ideas.

Please leave your items in the designated box in the Gathering Place in the month of July. Contact Maryanna Pearson (maryannapearson@gmail.com) or Marissa Klein (mlmklein03@yahoo.com) if you have questions.

NALC Giftcard Fundraiser

The news always seems to be filled with terrible stories of weather-related disasters, including flooding, tornadoes, fires, and hurricanes. Most recently, the midwest has been hit hard by much of this damaging weather.

Though many organizations help those affected, you are encouraged to consider helping through the NALC Disaster Response (<https://thenalc.org/nalc-disaster-response/>). This fund provides resources to help provide rapid response to natural domestic disasters, to alleviate human suffering and transition assistance, and enable those affected to begin the rebuilding process. Recent events have stretched the resources of the NALC fund, which continues to provide longterm help for past disasters like Hurricane Harvey as well as immediate assistance for new disasters.

In response to the needed resources, **the Women of the North American Lutheran Church will collect gift cards from Home Depot, Lowes, Walmart and Target** to aid those in need. Peggy and Bruce Hoppes will deliver any cards received by July 28th to Lutheran Week in Indianapolis in August. For more information, contact Peggy at heart2love4god@aol.com.

Our High School youth enjoyed their time at Camp Eagle in June!

UPDATE!

Uganda, Africa Water Well Mission, May 2019

Six water wells were successfully drilled in villages in desperate need of clean water and of hearing God's Gospel message of love, hope, and forgiveness. It is impossible to truly know how many were helped, but the volunteer team witnessed hundreds come to know Jesus Christ for the first time in these villages. "It was amazing to see the Spirit of God touch His children in search of lasting hope that they could hold onto," said Chris Knippa from St. John (pictured to the right).

Each village had over 2,000 residents that are now being served by these six water wells. PRAISE THE LORD. Thank you StJLC for all your support of this church effort and to God be all the glory!!
