

FAMILY³

Fall & Winter Family²

**Wednesday Evening Bible Study at St. John:
Cross + Generations & Confirmation**

All ages are both welcome & needed as together we will learn and practice what it means to be the "church". This is also the learning platform for 6th- 8th grade Confirmation.

*This is our key way of seeking to fulfill our baptismal promises as parents & as a congregation. We learn the Christian life by living the Christian life together. Through regular Church Family² groups (intergenerational discussion groups & peer discussion groups) along with doing service projects for both our church and community, we will carry out our mission to "Know Jesus & to Make Jesus Known." Words and actions, both are important for this Journey In Faith to flourish!
May we enjoy this year's adventure!*
