Picnics and polkas; community outreach and congregational birthdays...what do these things have in common? The month of October. This will be a busy, fun month at our church. You don't want to miss it!

It starts on October 6th with our annual **Church Picnic** at the Miller Ranch. This is one of the events the Waters family looks forward to year after year, and this year it's free!—just pick up a ticket at the church. The picnic is a relaxed event with great food, leisure for visiting, fun and games...it's a wonderful time to **Connect** with the church. Plan to be a part of it and join in the fun.

The weekend after that, join us for a **Polka Service** on October 13th. The Early and Praise Services will be the same that day, but the Late Service will be completely different. The Boerne Village Band will lead the Late Service in a Polka Worship, with all of the hymns and even some of the service music set to polka tunes. We'll have a barrel of fun! Come and **Worship** with us.

The weekend after that we learn how to **Serve** with **Growing Hope**. Growing Hope is St. John's partnership with Hill Country Daily Bread. We've had a team of people working hard on it for months, and now they're ready to introduce this new ministry

to the congregation. Growing Hope will host a workshop on October 19th about how we can **Serve** our neighbors by mentoring families right here in Boerne. Then Growing Hope begins to serve our community with a launch event on October 30th. This is a powerful ministry that will bless our church and community for years to come. Get involved and be a part of it from the start!

Our church started 90 years ago, and this **October 27th** we're going to celebrate! **Pastor Emeritus Henry Schulte** will

preach at all three worship services, celebrating both the 502nd anniversary of the Lutheran Reformation and the **90th anniversary of St. John Lutheran Church**. Then we'll gather in the Family Life Center for a birthday meal of traditional German food. It's a birthday

party 90 years in the making. You don't want to miss out!

Picnics and polkas, community outreach and congregational birthdays...October has it all. It promises to be a busy, fun month at St. John Lutheran. **Worship, Connect, and Serve with us!**

WORSHIP CONNECT SERVE

MESSAGE from the CONGREGATION PRESIDENT

Many years ago, the basketball coach at the University of Utah told the story of an extremely talented young player. The player had NBA star potential. But after a year with the Utes, the coach got a surprise. His star player wanted to go on a church mission for two years.

The coach had a meeting with the young man and his parents. He explained that he believed the young man would very likely make a fortune as a professional, giving him financial freedom for life. But he would jeopardize that by taking two years completely away from the game.

The family listened carefully, looked at each other, and then the father said, "Coach, we understand your assessment. It is very clear. But what about eternity?"

Eternity is a long time. And our St. John mission deals with it. We are focused on the eternal salvation of every person on earth. Which brings me to the St. John Endowment Fund. Like most permanent endowments, it is intended to last as long as the earth lasts. It will steadily provide funds for St. John mission work, making Jesus known to the world. Training pastors, feeding the hungry, spreading the Gospel, building shelter,

drilling water wells, etc.

Our endowment has a modest start, and it will continue to grow, bearing more fruit. Future generations, not yet born, will hear the Gospel because St. John chose to focus on eternity.

We will be hearing more about the St. John Endowment Fund on November 10th, at all three worship services. Exciting stuff. Indeed, what about eternity?

St. John Congregation President,
Scott Kramer

A NOTE ON STEWARDSHIP

Faith In Action

"¹⁵ Suppose a brother or a sister is without clothes and daily food. ¹⁶ If one of you says to them, 'Go in peace; keep warm and well fed,' but does nothing about their physical needs, what good is it? ¹⁷ In the same way, faith by itself, if it is not accompanied by action, is dead. ¹⁸ But someone will say, 'You have faith; I have deeds.' Show me your faith without deeds, and I will show you my faith by my deeds." - James 2:15-18

This can be a difficult scripture for us to understand—especially in light of our understanding that we are "saved by grace through faith." After all, this is the argument that kicked off the Reformation. However, it is obvious that believers are expected to perform deeds that accompany our faith.

Not because you are obligated, or that you can do enough to earn your way to heaven. We are also not to make a show of all the good deeds we are doing to gain praise from others like the Pharisees were admonished for in Jesus' day. On the contrary, it seems the point of James' message is that your deeds will flow out of you because of your faith and love for God. It's as if you won't be able to help yourself from becoming involved as your faith grows and leads to action.

You may be thinking: Sounds great, but where do I start? Well, you're in luck! St. John has developed a system to link our congregation's gifts and interests to the needs of our various ministries. By visiting our website and clicking on the SJ Connect button in the upper right-hand corner, you can enter your profile and contact information. Then, you will be contacted when there is a need. See, it's easy.

I pray that the Holy Spirit will move us to action as we grow in our faith.

Your Brother in Christ, Kyle Gass, Chair
St. John Lutheran Stewardship Committee

Establishing your legacy through final fruits...Reminder!

St. John members will have opportunity to learn more about estate planning at each of the three services on November 10, Planned Giving Sunday. The Reverend Dr. Gerald B. Kieschnick will speak that day on the importance of establishing your legacy for your family and charitable causes that touch your heart. Pastor Kieschnick is President Emeritus of The Lutheran Church--Missouri Synod and CEO of Legacy Deo.

In Bible class that day Mr. Gary Juhl, Legacy Giving Consultant, will dispel several myths about estate planning including: "I'm not wealthy enough to consider planned giving. If I don't have a will, my family will be able to figure it out. I'm too young to think about dying. Our estate plan was completed several years ago. We should be okay."

You won't want to miss either of these informative presentations.

Introducing St. John's new Ministry: Growing Hope Would you like to make a difference in someone's life? Is God calling you to reach out to others in your community?

Our church will be having a **seminar/workshop on October 19th from 9am-12pm** to discover more about the ministry, serving our neighbors in need, and how you can **bless and be blessed by making a positive difference in someone's life**. Guest speakers will be explaining the Hidden Rules of Poverty. The Growing Hope ministry provides an opportunity for you to "Make Jesus Known" and share the gospel, through one-on-one mentoring, with families in our community. Jesus asks us to meet physical, spiritual and emotional needs. Just giving out food is not enough. This is Christ's great commission in words and actions. If you are looking for your faith to grow and come alive, come discover how "Growing Hope" can transform lives. If you would like to feel the joy of serving, we invite you to come learn about mentoring and other opportunities with this new ministry.

Mark your calendars for the morning of Saturday, Oct. 19th. If you have questions or would like more information please email lauragray@gvtc.com or call 210-843-3969.

In the parable of the Good Samaritan, Jesus answers," Love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind," and "Love your neighbor as yourself," Luke 10:27
