## From the Pastor's Pen

It seems hard to believe, but 2020 is already here, and we're starting it with a new sermon series called **"20/20 Focus on Faith."** We want to bring into focus some of the things of our faith that may be fuzzy to you. Back in November, we asked, "What troubles you about our religion? What don't you understand? What beliefs don't make sense to you?" Seventy-seven of you submitted questions. I took those cards, laid them all out on a table, and grouped them into categories. Here are the top 5 questions you asked.

By far, the most-asked question was **"What happens when I die?"** People are very curious about where the soul goes when it leaves the body, whether the souls of the dead are "awake" and conscious or "asleep" and unaware, and what Jesus was doing when He descended to the dead.

The next most-asked question was **"What about Baptism and Communion?"** There were a lot of questions about why we baptize babies, and how much water (and faith!) is needed to make a baptism "valid." There were also a lot of questions about Communion and whether the bread and wine are the Body and Blood or merely symbolize the Body and Blood.

After those two frontrunners, there were no standouts among the rest, but I was able to group the questions around three general topics. There were many

questions along the lines of **"Who made God?"** These were questions about God's nature and attributes, about God's goodness, and about what Jesus was doing for the first 30 years of His life. Then came questions like **"Can I lose my salvation?"** These were questions about our own experience of faith, like "Why doesn't prayer for healing work all the time? How do I know when I've repented of my sin? What if I can't forgive someone?" Finally, there were questions the impact our faith has on others, which I call **"Does finding Jesus mean losing my friends?"** People want to know how to share the Gospel with their loved ones, how to relate to gay family and friends, and how to get people to turn to God without turning them away. It promises to be a provocative and thought-provoking sermon series, and it all **begins January 19th.**

In the meantime, let me leave you with this: Ever wonder why we ring the bell 10 times? So do I! I've never served a church that's done this before. So far as I can tell, the bell first rings 7 times to represent fullness or completeness, 7 being the biblical number for wholeness; then 3 times to represent the Trinity: the Father, Son, and Holy Spirit. All told, that makes 10, one for each of the Commandments. That's my best guess. What's yours?

- Pastor Eric Waters

# MESSAGE from the CONGREGATION **PRESIDENT**

I heard a child's prayer for Christmas. He said, "I pray that Jesus has a happy birthday." Like music to my ears, what a simple and beautiful request. I hope your Christmas was filled with joy in celebration of our Savior's birth.

And in a snap, we are into the new year. Your church leadership is leaning

forward, planning for 2020. As in previous years, we will gather for a weekend retreat in early January. We welcome new Council members, update our plans, and set goals for the coming year.

As the Holy Spirit stirs God's people at St. John, please pray for wisdom and strength for the leadership. God's plans are not

always our plans, and we pray for the discernment to tell the difference. Keeping our eyes firmly fixed on the cross, we aim to Know Jesus and Make Jesus Known. It is all that matters.

St. John Congregation President,  
Scott Kramer

## A NOTE ON STEWARDSHIP

### What do you treasure?

With Christmas behind us, you may still be working on getting all the decorations and gifts put away to get your house back to normal. We spend weeks and months preparing and within a few minutes the presents are opened, wrapping paper is everywhere, and we're left with piles of stuff to try and find a place for. While we may still be wishing for that one gift that didn't make it under the tree, God has a different plan.

Instead of spending our time worrying about getting this and buying that, we should be focused on seeking God

and developing our relationship with him. Through this pursuit of the kingdom, we will develop a trust that God will provide what we need. Trust in God to provide for our needs allows us to give freely of our time, talents, and possessions; and in doing so build up our treasure in heaven. No matter how great they are, our possessions in this life are temporary. Heavenly treasure is eternal. The question we need to ask ourselves is where does our heart lie – on earthly possessions or heavenly reward?

<sup>31</sup> "But seek his kingdom, and these things will be given to you as well." <sup>32</sup> "Do not be afraid, little flock, for your Father has been pleased to give you the kingdom. <sup>33</sup> Sell your possessions and give to the poor. Provide purses for yourselves that will not wear out, a treasure in heaven that will never fail, where no thief comes near and no moth destroys. <sup>34</sup> For where your treasure is, there your heart will be also."  
- Luke 12:31-34

The answer will be evident by what we invest our time and energy into. Let's strive to put God first.

Your Brother in Christ, Kyle Gass, Chair  
St. John Lutheran Stewardship Committee

**Study Begins January 12th  
9:35am and 10:45am**

This study, Song of Solomon, uses Pastor Tommy Nelson's now-classic study. It's more relevant today than ever before. Whether you are single, married, engaged or divorced, this teaching is an absolute must. There is never shame and guilt, but there is laughter, truth, forgiveness, practical guidelines and joy as you say like millions of others, "Wow, I wished I had heard this years ago."

**9:35am & 10:45am in The Shepherds' Cave: Room #214 (across the hall from its original spot).**

**January 5:** We will give an introduction of this course using a trailer that hits on each of the studies.

**January 12:** The Art of Attraction

**January 19:** The Art of Dating

**January 26:** The Art of Courtship – Part I

*\*Note: A teenage version of this study, entitled "S.O.S. – Song of Solomon", done by the same pastor, is scheduled for February & March High School class times. Parents & Grandparents, seeing this will give good insight on what the High School study on Song of Solomon will be like and hopefully will give extra incentive to get your young person to these important, life giving classes.*

**9:30 am - BLAST (preschool-5th grade):** This year's BLAST! focus will be for students to continue to become confident in knowing how the Bible is organized. Many have almost all of the Old Testament books memorized in order. They will now start on the New Testament gaining insight on the importance of the different books within it.

**9:30am and 10:45am Class time for Middle and High Schoolers:** As Pastor Waters focuses the first part of 2020 on questions of faith, so too will the Middle School and High School classes continue to explore questions about God, the Bible, faith and how it all interacts with life. Safe space is what we trust happens as we gather in Christ's name.

(Adapted from Luther's Small Catechism).

The physical, emotional, and spiritual effects following the loss of a loved one can be devastating. The good news, is that grieving folks who find a support group often discover that the process from mourning to joy is possible.

GriefShare is a 15-week program where participants will find support and practical advice from professionals via a video component that addresses many feeling associated with death.

Each of the 15 sessions stands alone, and it is not necessary to begin with the very first one. A participant can start at any point during the cycle.

A new Tuesday morning cycle will begin February 4, 10am to noon. Call the church office at 830-249-3651 or Connie Harbers at 512-779-5508 for more information.  
The Wednesday evening cycle will begin February 5, 6:30pm-8:30pm. Contact the church office or Barbara Rogers at 210-373-9070.

November and December brought us wonderful times of fellowship and service. Thanks to all who helped with the Operation Christmas Child and Angel Tree Programs. Many children and families were enriched by the generosity of others. The fellowship shared at St. John's annual Christmas Cantata and Congregational Dinner never disappoint...a great time was had by all! We look forward now to an amazing 2020!
