## From the Pastor's Pen

October takes us a few steps towards something that feels like "normal."

**Confirmation** is the last hold-over from the shutdown. We held our First Communion, New Members, and Senior Recognition in the Spring. We reopened the 8am service in the Summer. This Fall, at last, we can Confirm our students. The first Sunday of the month, October 4th, at the 11 o'clock service students will stand up in worship and make their confession of faith. Later that day, many of us will gather at the Millers' ranch for the annual Church Picnic. That's been a highlight for me each of the four years we've been here, but even more so this year as we sit down and get caught up again.

The first Sunday of the month is one step toward feeling "normal" again; the last Sunday is another. **Reformation Sunday** is the day of the year we celebrate our Lutheran heritage (503 years and counting!). We may be in an unprecedented season, but A Mighty Fortress is Our God and this year, as always, we will thank and praise Him again.

The first and last Sundays bookend the month, and on the middle Sunday we restart two ministries that go a long way to making it feel like "normal." Beginning the third Sunday of the month—October 18th—we bring back Communion and

food. We've been offering monthly Communion for awhile now, since Summer. We're ready to move to offering **Communion twice a month**, on the 1st and 3rd Sundays. We'll see how that goes, and hopefully come Advent we'll be able to offer weekly Communion once again.

We're also bringing back our Sunday morning refreshments! Beginning October 18th, we'll offer **coffee and pastries** in the Family Life Center once again. We'll see how that goes week after week, and when the time is right, we'll go back to the "full spread" we all know and love so well. I can hardly wait to spend even a few minutes visiting with you over a cup of coffee. It's a simple thing, but a big step toward feeling like "normal" again.

I, for one, am eager to get there. Next month I'll host an event I'm calling "**24 Hours of Prayer.**" The purpose is simply to pray for our church. People will sign up for a one-hour time slot to gather in the Sanctuary and pray for St. John. An intentional time of focused prayer will prepare us for whatever's coming next in our church's life. I don't just want our church to get back to "normal." I want our church to thrive!

# MESSAGE from the CONGREGATION PRESIDENT

Paul wrote to Timothy "God did not give us a spirit of cowardice, but rather a spirit of power and of love and of self-discipline." We remind ourselves of these words when times get tough. God gave us a spirit of power. We are grateful for that, with fresh memories of the year 2020.

The Council grappled with big decisions over the past 6 months. At every meeting, we began with prayer and ended with prayer. We knew that St. John activities must continue in spite of hardship,

because so many people depend on it. Although we had every reason to draw inward and wait out the storm, we chose the more difficult path. Sometimes, the path was clear, our decisions obvious. Sometimes we stumbled and picked ourselves up. Always, we weighed what is best for St. John, not what is best for any one of us. For St. John is bigger than all of us, bigger than any of us.

We saw the staff work together to plan every detail of St. John operations during the pandemic. We saw the joyful faces

when worship resumed, then again when communion resumed. We saw the steadfast preaching of our faithful pastors, conducting worship in an empty sanctuary. We saw the needy come to St. John for encouragement and sustenance.

God working through each of us to care for His church, that is what I will always remember about the year 2020. We serve an awesome God!

St. John Congregation President,  
Scott Kramer

## A NOTE ON STEWARDSHIP

### Our Duty and Delight Rests Upon Love

God's love for you and me is steadfast and boundless. It was there in his majestic creation. It is present in his blessings to us now. It will be there for the everlasting eternity. There is no measure of His love except John 3:16. All he asks in return for this is to love Him and to love our neighbor. There is no greater gift than God's love.

Love joins faith and hope as the third cornerstone of our stewardship, the giving back to the Lord a portion of our time, talent, and treasures. This stewardship is

alive and well at St. John Lutheran Church. Through our quiet time and our First 15 we are growing in our faith in meditation and prayer. Despite the trials of this year we find new ways to give back our talents to the Lord. Our congregation maintains our tithes and offerings to the church. By what percent has our faith, hope, and love grown in the last year?

As our walk with Jesus Christ continues toward Consecration Sunday in November, let us pray that we consider and increase our commitment and pledge according to the percent of our growth in

*For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life*

*John 3: 16*

*"Teacher, which is the greatest commandment in the Law?" Jesus replied: 'Love the Lord your God with all your heart and with all your soul and with all your mind.' This is the first and greatest commandment. And the second is like it: 'Love your neighbor as yourself.'*

*Matthew 22:36-39*

*And now these three remain: faith, hope and love. But the greatest of these is love.*

*1 Corinthians 13:13*

faith, hope and love for our Creator.

Your brother in Christ, Mark Danney,  
Chairman- Stewardship Committee

It's counterpart for women, *Cultivating Holy Beauty*, holds promise to do the same. Let Matt know if you would like to find out more or just let him know you are ready to get started!

# The Truth project

### Parents/Grandparents/Adults The Truth Project

In person & on Zoom at all three classes. Meet in the Shepherd's Cave (room #117) at 8am, 9:30am or 10:40am or be involved online via Zoom (see recent Week at a Glance email for connecting).

#### 8am, 9:30am, and Zoom Class Topics:

**Sunday, October 4th The State: Whose Law? (part II)** The civil magistrate must always remember his place under the sovereignty of God – otherwise, havoc will ensue.

#### Sunday, October 11th & 18th The American Experiment: Stepping Stones

This tour follows the history of this experiment and explores what happens to freedom when God is forgotten.

**Sunday, October 25th Labor: Created to Create (part I)** God Himself is active and creative, and He calls humankind to share in the joy of His activity and creativity. Labor, economics, media, and the creative arts all have a role to play in magnifying the glory of the Creator.

#### 10:40am Topics:

**Sunday, October 4th Philosophy and Ethics – Says Who? (part II)** Our understanding of right and wrong is directly dependent on our worldview: is the universe God's creation or a closed cosmic cube?

#### Sunday, October 11th & 18th Anthropology: Who is Man?

The Bible tells us that man created in God's image but fell from innocence through sin. Modern psychology, on the other hand, asserts that man is inherently good and behaves badly only under the influence of social or institutional pressure. This lesson explores the implications of both views.

**Sunday, October 25th Theology: Who is God? (part I)** Eternal life, according to Jesus, is knowing God in an intimate, personal, and relational way.

**Giving our Community & Church Family a "CLUE," celebration**

It will be a night to decorate and get ready for the big event that happens the following week.

**OCTOBER 28 at 7pm: GET A CLUE!**

**Who done it? What did they use?**  
**Where did it happen?**  
**Why did they do it?**

**Can your family members or small group of friends figure out the puzzle?!?**

It will take team work, skill and an exploration of the church property to conduct interviews with people who may have some answers for this full size mystery. If you have played the board game "Clue," you will be ahead of the pack because it is the same way you will play this real life game, with maybe a few twists and turns here and there.

**When:**

**Wednesday, October 28 at 7pm**

**Where:** Line-up at the East Main Doors – 6 feet spacing between groups will be enforced as well as face masks. Note: Costumes are welcome and encouraged! You will be led from clue sight to clue sight so mingling or crowds will not form.

**How:** Just show up.

**Who:** Meant for all ages...family units or a small group of friends. (There must be one adult per group for those who are elementary school or under.)

**Why:** To have some fun! Treats will be handed out at every clue sight too. So even if you don't figure out the mystery, you'll be guaranteed lots of candy!

**We need volunteers! There will be a team meeting and preparations October 21 at 7pm**

**A Blast from the Past:  
Can you name the CLUE actors from our last CLUE game?**
