

CLAYS for CHRIST (C4C)

Christian Outdoors Fellowship

CLAYS for CHRIST -- A new group is forming at St. John Lutheran church for shotgun shooters and people who might be interested in learning how to shoot moving airborne targets – clays that is. It's the "Clays for Christ" (C4C) group led by SJL member Jim Grier.

Whether beginner or experienced, men or women 18 and older, whether a member of St. John or not; C4C is all about fellowship outdoors, enjoying the sport of clay shooting, and using the opportunity to reinforce our Christianity. We'll also use it as an aide in leading un-churched friends or acquaintances to Christ; i.e. that discipleship and evangelism we've been talking about. Preliminary details follow below. Let's break bread, and break clays!

FIRST MEETING -- Most people are telling us they're only available on weekends, so we've scheduled our first meeting for organizational purposes ***this coming Sunday 13 Feb*** after church - **12:15 at [St. John Lutheran in Room 118](#)** (end of hall closest to East entrance).

Curriculum Outline

Who:	For St. John members and friends/acquaintances.
What:	Shotgun shooting at local clay ranges.
Where:	Boerne/County area.
When:	Shooting dates to be determined; let us know your availability.
Why:	To enjoy fellowship and the outdoors; and as an opportunity to bring friends/acquaintances to Christ, or just to St. John Lutheran.
How:	Don't have a shotgun? We'll help or share.

Initial topics:

1. Addressing the Basics First:
 - Program review – days, curriculum
 - Shotgun Safety; Gun Range Etiquette.
 - Different types of shotguns – Equipment, ammunition, and terminology of the sport.
 - Clays - skeet - trap - 5-Stand
2. How to operate a shotgun:
 - Stance and Aim; Range and Grip; Trigger Control
 - Aiming, Following, Hitting Flying Targets
 - Buying a gun – new or used:
 - How to find help with a coach:
3. Active shooting
 - 6 sessions, venues to be determined, e.g. Joshua Creek, Grier Ranch Range, others.
 - Live Bird Hunts – Dove, Quail, Pheasants, Ducks.
