## From the Pastor's Pen

The school year may be winding down, but there's still a lot happening this month at StJLC. It begins with a **National Day of Prayer** Service on Thursday, May 5 at 7pm. Covid cancelled the event last year and moved it online the year before, but it's back this year—and StJLC is hosting. Our Praise Band will lead us in worship. I and other pastors from Boerne churches will lead in prayers for our community, state, nation, and congregations. It promises to be a wonderful community event. Put it on your calendar and plan to be there.

A few days after that is **Mother's Day**, which is always one of the higher-attended Sundays of the year. This year, I'll preach on "Mary, the Mother of our Lord." The Virgin Mary tends to get overlooked in Lutheran circles, but she can teach us a great deal about saying "yes" to God and taking up your cross and following Jesus. It should be an interesting sermon and a good way to give thanks to mothers on this day. I hope you can join us.

We'll celebrate our High School Seniors on **Graduate Recognition Sunday**, May 22. I'll preach on Jesus' command and promise to "Take heart, for I have

overcome the world" (John 16:33). The graduating Seniors will lead the 11am service and be sent off into the world with a blessing and prayer. The Lord has blessed us with growing multi-generational church. I hope you can join us as we celebrate this Faith Mile Marker for the next generation.

Speaking of joining, the next **New Members Class** is coming up in June. If you or someone you know would like to make the commitment to join our church, sign up now on our website under 'Events' and keep an eye out for more details.

Finally, I'm excited to announce that our new **Vicar** arrives next month! Justin Baker arrives around June 1 and will be with us through next May. Vicar Justin is a student at the North American Lutheran Seminary in Ambridge, PA (outside of Pittsburgh). He will graduate from the seminary this month and then join us for his final year of preparation for ordained ministry. Under my supervision, the Vicar will preach, teach, counsel, visit, and learn how to lead a church. The Intern Committee is planning a welcome event in June. Keep your eyes open for it and be sure to read the Vicar's introduction in this newsletter.

# A NOTE ON STEWARDSHIP

## On Being Good Soil

As I prayed about what theme to use for this month's devotional, the Lord turned my thoughts to the spring season and rebirth. He reminded me of the parable of the sower of the seeds. We've all heard this story - the man (God) sowed seeds (the Word) on the ground (us). The path, rocky, and thorny ground all resulted in our faith withering, while good soil caused us to flourish.

While meditating on this, I thought about how the soil could also represent us and

**Other seeds fell on good soil and brought forth grain, some a hundredfold, some sixty, some thirty. Let anyone with ears listen! (Matthew 13:8-9)**

the seeds are our neighbors. The Holy Spirit is ultimately responsible for bringing people to God, but He calls on us to help others and bring them to His embrace. The seeds that fell on the path were those who didn't understand the message. We are called to not just speak the message, but to minister to others and help them to understand. Likewise, those seeds on rocky ground did

not have the support to withhold the troubles in their lives, while those on the thorns lost their faith during life's difficulties. We need to not just be a preacher of the Word, but be a friend and listening ear.

Your Brother in Christ,  
Michael Hoepfner, Chairman  
Stewardship Committee

## Meet St. John's New Vicar Arriving in June - Justin Baker

St. John is grateful to welcome another Vicar, Justin Baker, arriving next month. We look forward to introducing him to the congregation! Here is an introductory message from Justin, in his own words:

"Hi folks!

I'm very much looking forward to joining St. John's for my internship with my dog, Maya, and soon thereafter, my wife-to-be, Nella. (Our wedding date is set for this summer—July 16!)

I've spent the last four years in Ambridge, PA, studying at Trinity School for Ministry, working on both an M. Div. and an STM. What brought me to Ambridge was its affiliation with the NALC and its affordability. Before that, I was in Houston teaching high school math and attending First Lutheran with Pastor Evan McClanahan. That was the first Lutheran congregation I attended—I had grown up in the Methodist and non-denominational world.

One of the enduring marks of the Lutheran tradition is its insistence on the cross of Christ at the center of all things. I also very much appreciate the conviction and thought of Luther and Bonhoeffer, both of whom influence my thinking and faith.

What drew me to St. John's in Boerne is twofold: 1) as a native Texan, I will be closer to family again, and 2) the variety of ministry learning opportunities that St. John's provides. What I'm hoping to discern during my time here is a clearer conviction for a call to pastoral ministry and simply using the gifts I've been given. Looking forward to meeting everyone soon and inviting folks over for meals."

-Justin Baker

##### Managing Anxiety: Yours and Theirs

Anxiety carries a message that keeps you stuck and trapped, but you can learn to notice when you are living by that message of anxiety and replace it with a true belief of freedom and peace.

**May 1:** Theology of Anxiety

**May 8:** Life Giving List

**May 15:** Differentiation

**May 22:** Daily Practice

These approximately 15-minute teaching videos can be viewed through RightNow Media. If you are not a part of St. John's account, please let Matt know you would like to be. However, this time is certainly enhanced when topics are discussed with fellow Moms, Dads, and Grandparents. Come and join us.

**There are NO scheduled Wednesday adult classes for the month of May.** The Adult Bible Study series, "The Engagement Project," will begin on Wednesday, June 1, concluding August 3. (see ad on right)

### Attention Men

**Are you interested in succeeding in life?** The Bible Study Series Every Man a Warrior can help do just that. EMAW is a discipleship course designed to help men succeed in life. It is for men who want to become the warriors God intends - not living lives of mediocrity but maturing and becoming equipped in the areas where men fight and need to win. These areas include:

- Walking with God
- Marriage
- Raising Children
- Managing Money
- Going Through Hard Times
- Work
- Sex and Moral Purity
- Making Your Life Count

There have been a couple of dozen men within our congregation who have participated in these small groups (3-7 guys) and who endorse it. We have set a goal to try and start at least one or two on a quarterly basis. Mike Miller will be starting one this May. Please contact him or Matt Olson if you are interested in joining the adventure! Chad Christman may start one in August. Other leaders are ready to go if demand is high. Let's pray that it is because this is good stuff! 185,000 books sold around the world. Currently over 50,000 men in 53 countries have stepped into this arena of study and discipleship.

### The Engagement Project

The Engagement Project is a call to the body of Christ to awaken from its slumber and to begin to be the light and salt we were meant to be. Why did Jesus leave? Why does God send? What is God's endgame for you and for me? The answers to these questions are not for the faint of heart, but we will wrestle with them together. And, with His blessing, it really will change everything.

**This DVD and discussion class will be available both Wednesdays, starting June 1, as well as Sunday mornings at 9:30am in the Shepherds Cave (Rm #117), starting June 5. See the trailer: <https://youtu.be/E8HCSyaT38w>**

## SUNDAY MORNINGS FOR L.A.M.B.S<sup>3</sup>

During the month of May please pray for the students and teachers as they conclude their school year with the following lessons:

**K-1st Grade:** "The Lord Bless You..." said Aaron the priest. Fear of people in the Promised Land kept the people of Israel from entering it. They will also hear Moses final words.

**2nd Grade:** Parables explaining God's steadfast love, the importance of putting God's Word in one's heart, and there is no getting away from God's love will be the final lessons for the school year.

**3rd Grade:** Will examine Easter morning, the Road to Emmaus, and Jesus' Great Commission.

**4th Grade:** Will wrap up with some final adventures of Paul and his Godgiven messages that all Scripture is God breathed; it is Christ who saves us; and the importance of being in Christian fellowship.

**5th Grade:** Will be inspired by the witness of Richard Wurmbrand, Jim Elliot, and then taking a brief look at some modern-day martyr stories.

## SUNDAY MORNINGS FOR S<sup>3</sup>H.E.E.P.

During the month of May, please pray for these students and teachers as they take in the following:

**6th-7th Graders** to meet in The Fold where they will finish their comparison of world religions to Christianity. New Age Thinking, Atheists, Agnostics, and Skeptics (with questions about the existence of God) will be their final topics for the school year.

**8th-10th Graders** to meet in the FLC with Mark where they will then go to the Historic Chapel where they will review the Spiritual Disciplines and bring the school year study to a conclusion.

**11th-12th Graders** to meet in the Upper Room to be strengthened and encouraged in their walk with Christ through various means of presentations and discussions.

Students will test their Biblical Knowledge with a final **Quiz Bowl** on May 22 in the Family Life Center.  
At this time, we will also celebrate our High School graduates for this year.

## The Family<sup>3</sup> Committee will try something NEW this summer!

**We want to give children, youth, and their Sunday School teachers a "break" from "class time." Our hope is that it will encourage more engaged family worship and together time.**

This break for teachers, as well as for students, from their regular school routine will offer both a rest and a re-energizing time before fall. Also, **the routine of worship is an important way of modeling it's importance.**

Rote practices such as the "Brief Order of Confession and Forgiveness," the "Apostles' Creed," and the "Lord's Prayer" are a few examples of important elements of our faith where we learn who God is and what He has done for us. Our liturgy is important for staying connected with Christ and His people, as well as for passing on the faith. Let's focus on that with our children and youth this summer!

**We will take this pause after Sunday, May 22 and then return to grade-organized classrooms on September 11. This is a trial for this summer.** Please talk to a Family<sup>3</sup> Committee member about your thoughts on this. Watch for online articles to help support and encourage us in our family worship practices, as well as opportunities for you and your family to do Bible Study together.

*Note: The Nursery will continue its ministry for preschoolers during all three services.*

## WEDNESDAYS IN MAY

**MAY is a crazy-busy month as the school year comes to a close and eagerness for summer sets in. Thus, we will not be holding any Children or Youth Wednesday activities in May. Events will be back in June. Please pray for the Family<sup>3</sup> staff as summer and fall preparations are being made.**

The Vineyard at St. John is a garden that offers approximately 60 plots for planting and growing. The plots are available to all those in the Boerne community and beyond. For many years the Vineyard has been utilized by individual community members, as well as by families, and organizations. Two prominent organizations include: The Growing Rural Project, a program offered by the Alamo Resource Conservation and Development Area, Inc., and The San Antonio Council on Alcohol and Drug Awareness (SACADA).

Planting, growing, and harvesting at the Vineyard is a hands-on way for both young and old to learn the important life skills of nurture, patience, and responsibility.

## A Letter of Thanks from the Oromo Evangelical Church in Houston

'Dear Pastor Eric Waters,

On behalf of Oromo Evangelical Church, I would like to thank you and your congregation for the generous amount of \$9,500 we received on March 27, 2022. This contribution allowed us to pay for the land [to build our church] a year ahead of the scheduled final payment of May 28, 2023. You and your congregation have been supportive and hospitable towards us and we are so grateful for you taking this journey with us. The response of your congregation was so generous and positive that it uplifted us and encouraged us to move forward with our vision.

Personally, I do not have enough words to thank you for what you did and still continue to do to support our mission. In the middle of our dark situation, you and your congregation were the first to step in and encourage and support us. Your gift was put directly toward the building account to pay the remaining balance. Thank you.'

-Kamiso Boru, Pastor, Oromo Evangelical Church in Houston

In March, the St. John Council sent \$7,500 to assist with relief efforts in Ukraine. At this time, our congregation was also invited to donate to help those in need through our partnership with Samaritan's Purse.

As of April 15, St. John collected an additional \$7,060 from our members, bringing the total amount sent to Ukraine to \$14,560.

These monetary donations will be used by Samaritan's Purse at one of their five medical response locations on the ground in Ukraine. Weekly cargo planes of relief and medical supplies are being sent, along with assistance to hundreds of churches throughout the region as they minister to those during this devastating crisis. We pray for an end to this deadly conflict and for the people of Ukraine. **Thank you to all who donated.**

## GriefShare Support Continues
