### PART 1

#### An Announcement from Pastor Mariola Bergquist

Dear Members of St John:

I have been greatly privileged to serve the Lord and His Church in the Ministry of Word and Sacrament for 32 years. 21 of those years I have served here at St John Lutheran Church in various pastoral positions. In my ministry I have been blessed to serve in three different congregations and work with many wonderful people.

After much discernment and prayer, I have made the decision to retire from active ministry. My retirement goal is June 2024.

I have informed of my decision the Senior Pastor, Pr Waters, and the Congregational Council.

The process of calling another pastor is a lengthy one. It can take between 18-24 months. Therefore, we need to start the process soon.

I will continue serving in my present position until my official retirement date – June 2024. And I plan to enjoy every minute of it!

In Christ,

*Pastor Mariola Bergquist*

### PART 2

#### Updates from Pastor Eric Waters

It's been a pleasure serving with Pastor Bergquist these last five years and I look forward to serving side-by-side with her for the next two.

I thank Pastor Bergquist for her foresight and candor with the Church Council. Our denomination tells us that it takes 18-24 months to call an Associate Pastor. Council would like to start that process soon, and will present a motion for a congregational vote at a specially

# A NOTE ON STEWARDSHIP

## Be Still

Summer has arrived. As a parent, I find that, while we no longer have the stress of helping our children with homework, after-school activities, and other events, we can often feel even more overwhelmed since we still have many camps and other activities we have to organize for them, while also trying to keep them engaged when they are home all day. It is important during these times to make sure to set aside time for God. I find that even doing a short 10-minute bible study right after I

He says, "Be still, and know that I am God; I will be exalted among the nations, I will be exalted in the earth." (Psalm 46:10)

wake up is a great way to prepare myself for the day to come.

The Bible is full of commands to pray to God and praise Him. As with everything in the Bible, this is not because God needs our praise, but because, by doing so, we center ourselves on what's important. God calls us to use our time, talents, and treasures to the benefit of others, but it can be easy to let that message get lost in the hectic lives

we lead. Reorienting over lives towards Jesus gives us the courage and peace to give of our financial and time resources to the benefit of God's kingdom. Spend time with God, listen to Him, and let Him guide you through any of life's challenges.

Your Brother in Christ,  
Michael Hoepfner, Chairman  
Stewardship Committee

called Congregational Meeting in July. We want everyone to come to that vote well-informed. So, we will hold a **Townhall Meeting on June 26** after the Late Service to talk about the process of calling an Associate Pastor, lay out an expected timeline, anticipate questions you may have, and give everyone the opportunity to talk and let their voice be heard. Please mark it on your calendar now and plan to participate in this important meeting at the end of the month.

We begin the month by welcoming

Justin Baker as our **Vicar**. Vicar Baker has graduated from the North American Lutheran Seminary and will spend this next year at StJLC serving as an intern pastor, learning how to lead a church, and serving in a congregational setting. The internship program is a great opportunity for StJLC to invest in the future of the North American Lutheran Church by training pastors for the denomination. We'll introduce Vicar Baker at our services on June 5. He'll be in the pulpit for the first time on Father's Day, June 19, then on the first Sunday of each month thereafter. Welcome, Vicar Baker! We're so glad you can join us!

If you've been worshipping with us for a while and thinking about joining the church, now's the time. Our next **New Members** class will be offered on Wednesday evenings, 7pm-8pm, beginning June 15. These hour-long classes will introduce you to our church and our discipleship pathway of "Worship Weekly, Walk Daily, Connect Consistently, and Serve Monthly." Look for more information in this bulletin and sign up online under "Join."

The Engagement Project is a call to the body of Christ to awaken from its slumber and to begin to be the light and salt we were meant to be. Why did Jesus leave? Why does God send? What is God's endgame for you and for me? The answers to these questions are not for the faint of heart, but we will wrestle with them together. And, with His blessing, it really will change everything.

## SUNDAY MORNINGS FOR L.A.M.B.S.<sup>3</sup> AND S<sup>3</sup>H.E.E.P.

### Children Sermons will be at each Worship Service this Summer

In a season of trying some NEW things (for example, no children or youth Sunday School this summer) we are adding a short Children focused message at each service, starting June 5. During the final verse of the Opening Hymn at the Traditional Services we will welcome children to come up by the altar to sit and hear a message directed to them. The aim is to get them to listen for the coming lessons from the Pastor in his/her coming message. At the Praise Service, children will be signaled to come forward during the final stanzas of the second opening song. Let's see how it goes! We need your kids to be there though to get the true test. See you in church!

## Supporting Life, No Matter What the Size or Age

St. John Lutheran has been and remains a strong advocate for the right to life. We are unapologetic about what we believe the Bible teaches about its sanctity. Psalm 139:13-15 often bottom lines it the best when the writer, through the inspiration of the Holy Spirit says...

13 For you formed my inward parts; you knitted me together in my mother's womb.

14 I praise you, for I am fearfully and wonderfully made. Wonderful are your works;  
my soul knows it very well.

15 My frame was not hidden from you, when I was being made in secret,  
intricately woven in the depths of the earth.

With the culture swirling over the possibility of Roe vs. Wade being overturned, we thought it would be especially important to remind each other of what Christian organizations have always been doing, remain doing, and will continue to do no matter of a court case outcome-that is to care for people: unborn babies, infants, the mothers, the fathers, and all those who are facing Satan's tactics to "steal, kill and destroy" (see John 10:10).

Be it in the womb or at the end of many, many years, **The mission of Lutherans for Life is to equip Lutherans and their neighbors to be gospel-motivated voices for life.**

St. John's Mya Olson and her friends from The University of Texas, "Horns for Life Club" serve at an Austin pregnancy care center. Mya is now the president of this organization, and she will be sharing with our St. John family on June 19 and prior to the youth on June 15 regarding Texas Right to life as well as how it is to be on a college campus in the midst of such a cultural battle.

#### The Importance of Having Children in Church

(blog article posted by First Baptist Church of Randleman, NC)

An excerpt from the article:

'I recently read an article talking about why you are seeing less and less play places in McDonald's. There are a lot of reasons for this. Obviously, safety issues are a huge concern. Those both real and unreal. Like the one where a three-year-old child was stuck with a syringe full of heroin in a McDonald's play place and died. Yes, that turned out to be untrue. Believe it or not the real reason that McDonald's play places are disappearing is because of technology. Walk into a McDonald's now and you will see children playing on iPhones and iPads and not even using the playground. This just shows us how time changes things.

As a believer, one thing that has not changed is the importance of having our children in church.....'
