## Our curriculum

St. John Lutheran School uses the Abeka Curriculum.

*The Abeka curriculum offers many benefits:*

- It's **structured** on a Christian foundation.
- It's **broad** and will help your child build skills in a variety of subjects, from art to engineering.
- It's **exciting** and keeps children engaged and entertained using a variety of activities including coloring, singing, poetry, puppetry, and more!
- It's **proven** through research to be effective for children with all different learning styles and abilities.

*Within the Abeka curriculum, there are three main focuses of learning:*

- **Intellectual:** The Abeka curriculum approaches learning from a practical, traditional approach and helps students develop on an intellectual level.
- **Moral:** This curriculum will instill good character, teach students to display integrity and discern right from wrong, and provide them with a strong moral foundation.
- **Spiritual:** St. John Lutheran School believes that spiritual growth comes by loving God with all one's heart, soul, and mind and loving one's neighbor as oneself. The Abeka curriculum reflects this core teaching of Christianity by incorporating scripture with modern examples of application.

## Our teachers

At St. John Lutheran School we value the education of every child that walks through our doors. Realizing that parents carry the basic responsibility to educate their children, we also understand that teachers play a large role in helping children develop foundational skills and knowledge. We aim to serve as an extension of a child's home and church.

The StJLC School has small classes that offer low student-to-teacher ratios. Each student will receive the personalized attention and individualized instruction they need and deserve from our experienced and caring school staff.

**KNOW JESUS. MAKE JESUS KNOWN.**

“ Let the little children come to me and do not hinder them, for to such belongs the kingdom of heaven. Matthew 19:14 ”

## Why Choose St. John Lutheran School?
