

Dear Friends, Families and Neighbors of St. John Lutheran School,

St. John Lutheran School began in August of 2023. Tied closely to every good private school is a strong community aimed at supporting and enhancing student education. St. John Lutheran School is a 501c3 non-profit charitable organization whose mission is to know Jesus and make Jesus known through academic excellence and Christian character.

We have a unique challenge before us to lay the groundwork for scholarships that will serve students for years to come. Establishing scholarships requires financial support to fund the needs of families who strive for academic excellence for their children but cannot afford the full tuition. To meet this necessity, we are asking that you join us and become a St. John Lutheran School Scholarship Sponsor. Your sponsorship will provide students right here in our community with support to attend private school. Our goal is to raise \$20,000 through individual and business sponsorships to support the need for scholarships at St. John Lutheran School.

Your sponsorship provides an opportunity to promote your business and support the local community. We offer a tiered recognition program (please see attached flier). Promoting your business with your name or logo in print, social media exposure and your name or logo prominently displayed within the school are some of the public recognitions you will receive.

We appreciate your support and involvement in enriching the education of our students. To make a contribution, please mail your check along with the sponsor flier form to the address below. St. John Lutheran School is a 501c3 non-profit charitable organization. A receipt with Tax ID will be provided for all contributions. Due to the printing deadline, sponsorships received after **May 15, 2024** will not be included on printed items, all other benefits will still be received.

If you would like additional information, please contact us via email at tiffany@stjohnlutheran.com or call the school office at 830-375-5321.

Thank you in advance for your sponsorship. Your contribution is greatly appreciated by the students at St. John Lutheran School.

Sincerely,

Tiffany Jureczki
