

LiNK is live!

Your LiNK to the StJLC Community

StJLC LiNK is your connection to fellow church members – Like-minded folks with the same basis in faith.

Looking for folks with similar interests? **StJLC LiNK** finds them. Let's say you want to connect with others who enjoy cooking or music, **StJLC LiNK** provides you with a list of others with similar interests.

Looking for a plumber or caterer, or someone to aid with a project? **StJLC LiNK** locates them. With a **StJLC LiNK** account you can look up fellow church members' professions or vocations, talents, and hobbies.

Join the **StJLC LiNK** and find other ways to connect with your fellow church members.

Getting *StJLC LiNK* is easy. But first things first:

- You must be a church member and be registered in the church's database.
- Every account must have a unique email address.
- Each member of a household must have a unique email address.
- If your name doesn't appear during registration, it's possible a duplicate email address was used when your household was registered in the church's database. If so, please send updated emails along with the person's name to info@stjohnlutheran.com.

It's super easy to register and connect with people!
Find all the details on the next page or on St. John's website under 'Resources'.

Get Started:

1. Go to www.stjohnlutheran.com and click the LiNK button at the upper right-hand corner, or simply scan the QR code.
2. Click "Sign-In" on top of page and a Sign in screen will appear.
3. At the Sign In screen, enter your email address and use Welcome@123 as the default password (password is case sensitive and you can change later).
4. Click Sign-in. (If an error occurs, see above for a possible solution)
5. Once in, click "Change Password" (see the menu to the left of the page) and change your password.
6. Click "My profile" (see Menu to the left of the page), then click the "Edit Profile" button at the top right to update your profile. Here you can add your picture, contact information, and the professions or vocations, skills, hobbies, and interests that apply to you.
7. Click 'Save'.
8. You are all set to start exploring!
