From the Desk of Pastor Robert Weber

If you have school-age children or work in a school, the busyness of a new school year has already begun. Hopefully, you're settling into a new routine. Here at church, some of our fall activities are already underway, but September is when many of our ministries really kick into gear.

Beginning Wednesday, **September 2**, our **Gospel Project Bible Studies** will take on a new format. Instead of looking back at the previous Sunday's sermon, we'll begin looking ahead to the upcoming Sunday's readings and sermon. This will give you an opportunity to become familiar with the text before worship and prepare your heart for what you'll hear on Sunday morning. I hope you'll join us!

Our church will once again have a float in the **Labor Day Parade** on Saturday, **September 5**, and everyone is invited to ride on the float with us.

On Sunday, **September 6**, we will **bless the new Sanctuary cross and Garden cross** between the 8am and 9:30am services, as well as during the 11am service, which will also be livestreamed.

Precept Bible Study with Pastor Kurt Wandrey resumes on **September 10**.

Our Men's Ministry will host a **Special Fall Men's Breakfast** on Saturday, **September 12**, followed by the Women's Ministry's popular **"Faith Through the Decades" Luncheon** on Sunday, **September 13**.

The Fall **New Members Class** also begins **September 13** after the late service at 12:30pm. You can sign up online, by filling in the Connect Card, or calling the church office.

Also on **September 13**, representatives from **Texas Mobile Imaging** will be here to

answer questions and take registrations for affordable health screenings on **September 25**. Two years ago, a screening helped identify a life-threatening blockage in one of our members, ultimately saving his life. I strongly encourage you to consider participating.

This month we are excited to launch a **new Senior Ministry**, led by Michelle Waters. Join us for a **Kickoff Luncheon** on Tuesday, **September 15**, from 11:30am-1pm in the Family Life Center. We'll gather to dream, discuss, choose a name, and help shape this new ministry together!

On Wednesday, **September 16**, at 5pm, we'll gather for a brief memorial service remembering the events of September 11.

On Saturday, **September 19**, from 9am-1pm, we will hold a **free vocal workshop** in our Sanctuary, lead by Juilliard-trained vocal coach and performer Don Braswell. Participants will enjoy a free lunch and have the opportunity for private voice lessons.

As you can see, our ministry year is getting into full swing, with many opportunities to grow in faith, build relationships, and serve together. I hope you'll join us this September!

ST. JOHN LUTHERAN SCHOOL NEWS

The School Year is Underway!

As August arrived and a new school year began, there was a special excitement in the air at St. John! Our staff prepared classrooms, planned engaging learning experiences, and was ready and excited welcome our students and families back to campus. We are so happy to see the halls filled again with smiling faces, laughter, and the joy of learning.

We celebrated a wonderful first week of school with **Ice Cream on the Playground** Friday after school. This fun event helped students and families to reconnect, meet new friends, and enjoy some sweet treats together as we kicked off another fantastic year.

We participated in **4-H Night**, which was hosted right here at St. John. We

encouraged all our families to attend and learn more about the many opportunities 4-H provides for youth through leadership, service, and hands-on learning experiences.

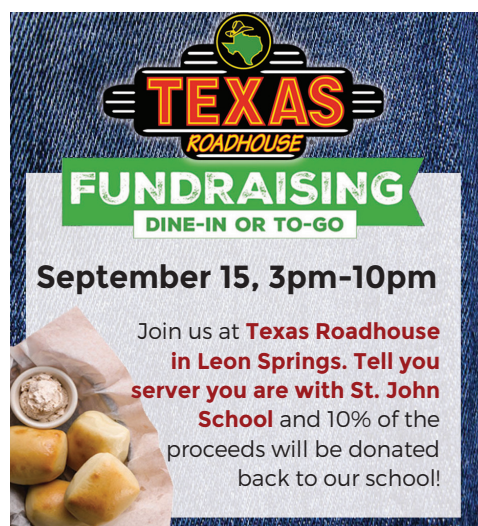

Believe it or not, preparations are already underway for one of our favorite annual traditions, the **St. Nicholas Market!** Our talented student elves are beginning to work in the workshop, creating special items and preparing for this beloved event. We look forward to sharing more details as the market draws closer.

Our youngest students will soon be busy making a difference. At the end of the month, the kindergarten class will prepare lunch for the school, demonstrating teamwork, responsibility, and a servant's heart. We are so proud of their enthusiasm and willingness to help others.

On a personal note, I am honored to share that I was selected to participate in the **Leadership Boerne Class of 2026**. This opportunity will allow me to learn more about our community, build meaningful connections with other leaders, and bring new ideas and experiences back to St. John. I am grateful for the chance to represent our school and continue growing as a leader.

As we begin this new school year, thank you for your continued support, partnership, and commitment to our St. John family. We are looking forward to an amazing year filled with faith, learning, service, and community. Here's to a wonderful start to the school year!

- Tiffany Jureczki, School Director

Kerrville Flood Relief

Update from the Benevolence Committee

Members of St. John Lutheran Church have made four trips to Kerrville to assist with flood relief efforts, working alongside members of First Methodist Church in Kerrville. Teams have helped with four homes, removing flooring, drywall, wet insulation, and debris.

Thank you to the St. John members who have volunteered their time: Carl Bohls, his nephew and two grandsons, George Klein, Brandon Quick, Shandy Smith, Eric Christopher, Dana Wehrmann, Howard Sheffy, and Mike Miller.

In addition, 350 flood relief buckets were delivered to the Ingram Fire Department for distribution. The buckets were coordinated by Howard Sheffy. St. John also purchased \$3,000 worth of fans to help dry out one of the homes where our volunteers are working.

We are grateful for everyone who has helped serve our neighbors during this difficult time.

THANK YOU

Bette Lafferty would like to thank all those that wished her a happy birthday in July. She received 61 cards from her church family and friends!
